Lydia Marks of [Marks & Frantz](#)—and the set decorator of the *SATC* movies—recently released a version of the “Carrie” chair straight from the film so you can bring the Carrie lifestyle into your own home (*pictured, above*). The sexy peek-a-boo chair blends contemporary colors with cool cutouts, [for a price of \\$3,950](#). The perfect chair for skimming through magazines, blogging about a catastrophic first date, or a simple spot to dig into some Chinese food, the trendy feminine style is designed to fit all of your needs. You can get this stylish chair online from Edward Ferrell + Lewis Mittman or try out the [versatile settee \(pictured, below, \\$6,650; ef-lm.com\)](#) for when your friend equivalent of Charlotte, Miranda, or Samantha stops by.
